Authorized Body 204

empowered by the Decision of the COSMT No. 5/2017 of 31/1/2017

Branch Office 0200 – České Budějovice

PRODUCT CERTIFICATE

No. 204/C5/2020/020-042298

In compliance with the enactment of Article 5 of the Government Decree No. 163/2002 Coll., that lays down technical requirements for selected construction products, as amended by Government Decree No. 312/2005 Coll. and by Government Decree No. 215/2016 Coll., it is confirmed, that in case of the construction product

SYSTÉM GRITEC

building elements, transformer stations, gas regulation stations, dangerous substances warehouses, sanitary containers, heat exchangers stations, collecting wells, elevator shafts, cable and valve chambers

distributor:

GRITEC s.r.o.

INo: 49614819
address: Průmyslová 698/5a, 108 50 Praha 10
plant: GRITEC s.r.o.
address: Průmyslová 698/5a, 108 50 Praha 10
order: Z020100549

the Authorized Body has reviewed documents submitted by the distributor, performed the initial type-testing of the product sample, performed the initial inspection of manufacturing plant, assessed the factory production control and has stated, that

- this product fulfils the requirements derived from related essential requirements given in the above mentioned Government Decree and detailed in the National Technical Approval and technical regulations:
NTA 020-042296 of 28/02/2020 issued by the Authorized Body 204 with extended validity until 28/02/2026 (extension of validity No. 020-047444) and supplement No. 020-047445 of 03/02/2023.
- factory production control complies with technical documentation and ensures that products put on the market meet the requirements laid down in the above mentioned National Technical Approval and technical regulations and comply with relevant technical documentation according to Article 4 Clause 3 of the above mentioned Government Decree.

The Product Certification Report No. 020-042297 of 20/03/2020 and Surveillance report No. 020-049736 of 28/03/2024 containing the conclusion of the findings, assessments, test results and description (eventually sketch) of the product necessary for its identification is to be considered as an integral part of this certificate.

This certificate was first issued on 20th March 2020 and remains valid as long as the requirements given in the National Technical Approval and technical regulations referred to hereinabove or the manufacturing conditions in the factory or factory production control itself are not modified significantly, unless suspended or withdrawn by the Authorized Body.

The Authorized Body performs at least once a 12 months the surveillance of proper function of the factory production control at the manufacturer, performs an audit-testing of samples to assess whether the characteristics of the product comply with the National Technical Approval and technical regulations according to Article 5 Clause 5 of the above mentioned Government Decree. The Authorized Body shall issue a report on the evaluation of surveillance and forwards it to the distributor.

The person taking overall responsibility for this certificate:
